

# Ruttana Rittisaeng

## Contact

---

**Address:**

Demonstration School, University  
of Phayao  
19 Moo 2 Tambon Maeka Amphur  
Muang Phayao 56000 Thailand

**Phone:**

+66 (0)8 1387 0927

**Email:**

[ruttana.ri@up.ac.th](mailto:ruttana.ri@up.ac.th)

## Current Position

---

Lecturer of Statistics

**Work Place:**

Demonstration School, University of Phayao, Thailand

## Education

---

- 2012 Master of Science: Applied Statistics  
Chiang Mai University, Thailand
- 2009 Bachelor of Science: Statistics  
Maejo University, Thailand

## Research Area

---

- Applied statistics
- Medical Statistics
- Estimation of hybrid logistic

## Publications

---

- Rittisang, R. Komkong, M. and Bookkamana, P. (2012). Theoretical concept of hybrid logistic regression analysis for case-control studies. National Conference Proceeding "The 4th Science Research". Faculty of Science, Naresuan University. 5-7.
- Rittisang, R. Komkong, M. and Bookkamana, P. (2012). Estimation of hybrid logistic regression parameters using bootstrap method for case-control studies. Ramkhamhaeng Research Journal of Sciences and Technology. 29(2): 1-19.
